Caring for relationships

1. Sharon Bio-Medicine Limited, has undergone a corporate insolvency resolution process ("CIRP") under the aegis of the Insolvency and Bankruptcy Code, 2016 ("IBC"). The CIRP commenced on April 11, 2017 and culminated with the approval of a resolution plan by the National Company Law Tribunal ("NCLT"), Mumbai, vide its order dated March 8, 2018 in respect of the Company. The successful resolution applicant is Peter Beck and Partner Vermoögensverwaltung Ltd. ("PBP") ("Resolution Applicant"). The implementation of the Resolution Plan was challenged by the erstwhile promoters before the National Company Law Appellate Tribunal ("NCLAT") which saw it fit to dismiss the appeals and vacate its previous status quo order, vide its order dated December 19, 2018. Thereafter, the erstwhile promoters filed an appeal before the Supreme Court of India on February 5, 2019, which was dismissed by Supreme Court on April 5, 2019.

Since the resolution applicant had not implemented the resolution plan, State Bank of India ("SBI") on behalf of financial creditors filed an appeal before NCLT on December 6, 2019 seeking directions for re-initiation of CIRP in order to invite fresh bids from prospective resolution applicants. Subsequently, the resolution applicant indicated his willingness to implement the resolution plan. The lenders in September 2020 agreed to give a final opportunity to the resolution applicant for implementation of the resolution plan by November 7, 2020. While during this period the company completed the capital reduction process by November 4, 2020 as stipulated in the resolution plan, the resolution applicant yet again failed to implement the resolution plan. The NCLT vide its order dated February 2, 2021 directed the resolution applicant to infuse funds within 2 weeks, directed the lenders to provide bank details for infusion of funds and waived off the requirement of submission of bank guarantee as stipulated in the resolution plan.

On February 18, 2021, SBI on behalf of financial creditors filed an appeal before NCLAT against the NCLT order dated February 2, 2021. The NCLAT vide its order dated January 5, 2022 directed the resolution applicant to submit the bank guarantee as stipulated in the resolution plan within 30 days and implement the resolution plan within 2 months.

SBI filed an application before NCLT on February 8, 2022 seeking directions for liquidation of the company as going concern and appointment of liquidator.

The resolution applicant filed an appeal before Hon'ble Supreme Court on February 2, 2022 seeking modification of the NCLAT order dated January 5, 2022. During the hearing held before Hon'ble Supreme Court on February 28, 2022, the Learned counsel of resolution applicant on instructions submitted that it would not be possible for him to comply with the NCLAT order dated January 5, 2022. The Hon'ble Supreme Court vide its order dated February 28, 2022 granted the liberty to initiate fresh CIRP.

In view of the above, PBP is no longer successful RA of the Company and the Resolution Plan submitted by them and approved by NCLT is no longer effective.

SBI on behalf on financial creditors has filed an application before NCLT on March 9, 2022 seeking withdrawal of liquidation application and necessary approvals from NCLT in accordance with the Hon'ble Supreme Court order dated February 28, 2022.

2. As per erstwhile resolution plan approved by Hon'ble NCLT, Mumbai; the company has undertaken a selective capital reduction from 118,935,700 Equity shares to 57,55,625 Equity shares of Rs. 2/- each in the financial year 2020-21 for which the relevant Stock Exchanges have given their in-principle approval.
3. In view of the above development and Hon'ble Supreme Court order dated February 28, 2022, the Company is unable to comply:
 - a) With IND AS 109 where the Foreign Currency Convertible Bonds amounting to Rs. 169.69 Crores are not bifurcated into debt and equity component and considered to be part of Liabilities.
 - b) With IND AS 109, Loans and liabilities shall be presented either as at amortized cost or as at fair value through profit or loss (FVTPL). However, term Loans amounting to Rs. 360.55 Cr are stated at cost, as the amortized Cost and the effective interest rate are not ascertainable.

 - d) Finance Cost & Interest has not been accrued & diluted EPS is not calculated during the quarter ended 31st March 2022 and then year ended March 31st, 2022.

- e) With IND AS 12 - Management finds it impracticable to determine tax base of items of assets and liabilities and hence has not measured deferred tax assets and deferred tax liabilities.
4. Pursuant to the erstwhile Resolution Plan, the erstwhile Resolution Applicant had infused a sum of Rs. 10.06 Crores, pending allotment within the stipulated time as per the Companies Act 2013. This amount has been disclosed under Other Current Liabilities as Share Application Money Pending Allotment.
 5. The above audited financial results are approved by Chief Executive Officer and Vice President- Finance & Accounts in the meeting held on 17th May, 2022.
 6. The gratuity benefit of the Company is administered by a trust formed for this purpose through the group gratuity scheme. The Company has not contributed towards the Trust fund for the pending changes in the trustees. The employees' gratuity fund scheme is the Company's defined benefit plan. The present value of the obligation under the said defined benefit plan as per IND AS 19 is determined on the basis of actuarial valuation from an independent actuary using the Projected Unit Credit Method.

The Chief Executive Officer (CEO) and Vice President Finance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risk, and evidence that is sufficient and appropriate to provide basis for our opinion. The risk of not detecting material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional misstatements, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 1030) of the Act, we are also responsible for expressing your opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify your opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in manner that achieves fair presentation.

We communicate with those charged with governance regarding among other matter, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and the matters that may reasonably be thought to be on our independence, and where applicable, related safeguards.
